

AN Analysis of Jared Diamond's *Worst Mistake in the History of the Human Race*.

Describe how each of the following concepts was <sup>er-2-4</sup> affected by man's move to agriculture and civilization.

WORK LOAD

DISEASE

FAMINE

DIET

OVER CROWDING

CLASS DIVISION

SEXUAL INEQUALITY

WARFARE

What are your personal thoughts on the article? Do you agree with Dr. Jared Diamond that becoming farmers and developing civilization was a great mistake? Would you want to be a nomadic herder or a bushman? Explain and be prepared to discuss in a Socratic seminar these questions and each of the concepts above.
